INTRODUCTION

For parents and families navigating the grief of pregnancy and infant loss, seeing the future can feel impossible. You can help give them a place to start.

Bears of Hope Pregnancy & Infant Loss Support provides leading support and exceptional care for families who experience the loss of their baby. We provide crucial information and embrace families during their difficult time of loss, and beyond. There are two key elements to our program that guide families through their choices when saying Hello and Goodbye to their much loved baby.

Families receive a Bear of Hope donated by another bereaved family. This allows the donating family to give their child's brief life purpose and a legacy, whilst filling the empty arms of another family as they walk out of the hospital without their baby. It reinforces the understanding that they are not alone and that there is an existing community of support. Families also receive extensive information, either in print or online, to help them make decisions and memories in hospital, during the memorial and beyond.

Our support services are unequalled by any other organisation. We provide counselling services, a credible foundation of parent led and psychologist facilitated support groups, private online groups, and annual community events that remember individual baby's and recognise their parents' love.

As a registered non-profit organisation we are dedicated to the care of others and reinvesting our finances and resources to ensure Bears of Hope is the leading support for pregnancy and infant loss in Australia.

Everyday in Australia:

- 6 babies are still born
- 3 babies die after birth and before their 1st Birthday
- A miscarriage occurs every 3.5 minutes

1 in 4 pregnancies end in loss

Our Values:

- Committed to achieving our vision with integrity.
- Dedicated to and passionate about making a difference.
- Respecting grief is personal and unique.
- Every family has the right to be offered support without judgement.
- Equal acceptance and acknowledgement of every loss.

Objectives

Bears of Hope's mission is to provide ongoing comfort, support and counselling to parents and families who have experienced the loss of a baby during pregnancy, birth and infancy.

In particular, Bears of Hope is established for the public charitable objects of:

- A. relieving the suffering, distress and misfortune experienced by parents and families who have lost a baby through miscarriage, stillbirth, genetic interruption, multiple loss, neonatal or infant death, for example through:
 - 1. provision of online support groups;
 - 2. facilitating face to face support groups;
 - 3. hospital and home visits by Bears of Hope members and counsellors;
 - 4. provision of newsletters and support material;
 - 5. holding community and fundraising events;
 - 6. phone and email support;
 - 7. provision of support, including through supply of products and initiatives; and
- B. reducing the feelings of loneliness, depression, anxiety and isolation felt by grieving parents, and their families, for example by placing them in contact with other families who have experienced similar loss;
- C. initiating early support for parents who have experienced a pregnancy, birth or infant loss, and their families, for example by donating a 'Bear of Hope' and providing support literature;
- D. reaching parents, and their families, who have suffered loss by forming strong relationships with delivery, maternity and early pregnancy clinics, social workers, neonatal intensive care units, general practitioners, obstetricians, IVF clinics, children's hospitals and emergency departments and others in NSW, ACT and across Australia; and
- E. from time to time and on a case by case basis:
 - 1. making minor contributions towards research relating to grief counselling and support for those affected by the loss of a baby during pregnancy, birth and infancy; and
 - 2. providing incidental support to friends, colleagues and the wider community affected by the loss of a baby during pregnancy, birth and infancy.

However, the primary purpose remains the provision of direct relief to affected parents and families.

WAYS YOU CAN FUNDRAISE

Parents, family & friends, sporting clubs, corporate groups, schools and the wider community can make a profound difference to the suffering and distress experienced by parents after the loss of their baby by holding a fundraiser for Bears Of Hope.

Hosting a fundraiser, donating a portion of your business sales to our charity or creating an online fundraising page will make an incredible difference and we cannot thank you enough for that!

Here is a brief description of the ways you can fundraise for our organisation.

HOST A COMMUNITY FUNDRAISER

Community fundraising involves collecting funds offline on behalf of Bears Of Hope, no matter how small or large the fundraiser. It is a wonderful way to connect with your local community, raise awareness and funds for our organisation.

Community fundraising includes raffles, coin box collections, trivia nights, Community BBQ's (Including Bunnings) or workplace fundraisers just to name a few. You may wish to also create an online fundraiser to compliment your offline fundraising to help you reach your goal.

You need to register your fundraiser first in order to obtain an 'Authority to Fundraise' on behalf of Bears of Hope.

For any community fundraising enquiries please email fundraising@bearsofhope.org.au

ONLINE FUNDRAISING

Online fundraising is an easy way to connect with the wider community to raise funds and show others the difference you want to make in this world.

You may wish to choose a 3rd party event to take part in to raise funds for (e.g. fun run or bike ride) or you can fundraise through one of Bears Of Hope's exclusive online campaigns.

Select your campaign, read through their individual guidelines and then create your online fundraising page. Personalise your page and share with your friends, family and colleagues for support. It's that simple!

All donations \$2 and over are instantly tax receipted to donors.

For any online fundraising enquiries please email online@bearsofhope.org.au

CORPORATE FUNDRAISING

Does your business align with our mission and values and is seeking to make a profound difference? Support a dedicated and highly driven organisation who stand with families and hold space for their grief, whilst working together towards reducing the isolation after the loss of their baby.

This can include donating a portion of your sales for a period of time, a workplace match giving program for your employees, volunteering your time and skills, a prize or gift pack through to becoming a major sponsor of Bears Of Hope, our campaigns or support services.

For any corporate support enquiries please email corporate@bearsofhope.org.au

EVENT CHECKLIST & TIPS

Once you have decided that a Community Fundraiser is the way to go, it's really important to set yourself some goals and to track them as you go.

Below we have included a checklist and tips to help you keep track of your event and its progress. This will also help you when developing your plans/goals.

Checklist

- Set your fundraising goal
- Create a budget
- Identify target audience and attendance goal.
- Set event date and time.
- Select a venue (If applicable) – When sourcing a venue, request the venue be donated free of charge. If they have a bar and are serving drinks, they will make their money back over the bar.
- Send out a media release to newspapers and radio. If you do get an interview please let us know and email to fundraising@bears of hope.org.au
- Send out invites – e.g. via email, facebook, Instagram, local newspapers, mailout
- Source and record donations
- Source event sponsors
- Request a photographer to donate their time to take photos of your event
- Deposit funds to Bears of Hope bank account; provided with your Authority.

IMPORTANT: Please note that community fundraisers are not covered by Bears Of Hope Pregnancy & Infant Loss Support Inc Insurance. Most indoor venues will have their own insurance that will cover your event, check with your venue. Outdoor venues will most likely not have insurance and you may need to source your own, check with your venue and/or local council.

- Develop a timeline—set deadlines for your tasks.
- Allocate volunteers to tasks
- Email advertisements to fundraising@bears of hope.org.au for approval
- Email your results to fundraising@bears of hope.org.au and also feel free to share your story/fundraiser along with any photos.
- Send out thank you notes to everyone who helped out; include both sponsors and donors and any volunteers who helped out.

IMPORTANT: All funds must be deposited directly to the BOH bank account and not transferred from your own personal bank account.

Tips

Fundraising Goal

In conjunction with the event team, you must decide what amount of money you plan to raise at the event. If this is truly a fundraising event, then everything in the event plan will be geared to raising this specific amount of money. The amount you choose should be what you hope to net, that is, the amount you plan to raise after expenses are deducted.

Budget

Every fundraising event plan should contain a complete budget listing all of the expenses that will be required to hold the event. Your budget should include invitations, advertisements, space rental, catering, entertainment, transportation, security, utilities, and anything else that will be required to make the event a success. Your budget should take into account your fundraising goal, ensuring that you raise that amount above and beyond all expenses. Be sure to leave a little extra room in your budget for unforeseen costs.

Target Audience

Who is the target audience for your event? Is this a public fundraiser where everyone will be invited? Or is this event geared towards a specific group like business people, parents, school children or young professionals? In short, you must decide whom you will invite to your event.

Setup

Your event team should plan the event set-up well in advance. The set-up includes all of the particulars of the actual event: Where will it be? Will food be served? Will there be entertainment? What kind of dress will be required? What is the itinerary for the event?

Marketing

Marketing the event is the easy part! For a large or mid-sized event (rather than one you will have at your house, for instance), you can:

- Make posters and ask area businesses and organisations to display them in their windows
- Send press releases to all local radio, TV, newspaper and community event sites
- Ask all volunteers to post about the event to their online social networking profiles and to email their friends and family about the event
- Create an event on social media and ask all volunteers to join the group and to encourage their friends and family to join too
- Marketing for a mid-size or large event needs to get out early and often. People need to hear about the event, no matter the size, months in advance, and then again weeks in advance, and then again days in advance.

Sponsors

Sponsors are asked to pay a fee that helps cover the costs to hold the fundraising event, so that more of the funds paid by attendees goes to the charity. Your goal with sponsors is to get enough money from them to pay for all costs of the event, so that 100% of the money generated by individual attendees goes to the charity.

Sales

Once you market your event, there must be a procedure in place for making the actual ticket sales, or accepting donations for and at the event. You must decide whether there will be different contribution levels for the event (such as a flat ticket charge, an extra charge to be invited to a V.I.P. reception in addition to the event, etc.). You must decide who will sell the tickets, how they will be shipped or delivered, and who will be responsible for organizing the incoming information.

Practice

While you probably won't need a full run-through of your event, it is essential that everyone who is working the event know, ahead of time, what their responsibilities are, where they should be during the event, and how the event is going to "flow." If you are having a large or unusual event, the key event staff may want to have a practice run to make sure that your event is running smoothly.

Thank you

One of the most often heard complaints from contributors to charitable fundraising events is, "They never even said 'thank-you.'" Ditto for your event volunteers. Make sure that you take the time to send thank-you notes to everyone who is involved in your event, including contributors, volunteers, staff and vendors.

While arranging public liability insurance can seem like a burden (you can also look at fundraising to cover this

cost) it can save you thousands in the event of a claim being made. If you are unsure as to whether you will need this cover for your event, please get in touch with us.

TIPS TO PROMOTE YOUR FUNDRAISING PAGE

To help you reach your fundraising target, we've put 10 easy tips together for you:

1. **Make a donation yourself.** The first donation is the most important, your supporters will look at your first donation to determine how much to donate. This will also show that you're dedicated to your cause.
2. **Turn your fundraiser into a team page** and encourage family and friends to join your team, This way, team members can help raise further awareness and funds through their own contacts too, helping you reach your goal sooner.
3. **Ask your biggest potential donors first.** Reaching out to your close family, or to people you think are likely to donate a large amount will encourage others to increase the amount that they give. Before donating, most people look at your recent donations to determine how much to give.
4. **Share your page on Facebook** and encourage your friends to share it as well. For the best results, include a photo of yourself
5. **Email everyone you know.** This will boost your total right away! Don't forget to send a reminder email as well – often the reminder will raise even more than the first email!
6. **Personalise your fundraising page** with a photo and some information about why you've chosen to fundraise for your cause.
7. **Publicly Thank your donors.** Show your gratitude through an email, phone call or text. Thanking publicly on your facebook page as you receive them can also inspire or remind others to donate. Be sure to include your link every time
8. **Contact your work** and see if they have a match giving program. Do they offer employee matched donations to your page or match your fundraising total?
9. **Share your story with the local media** and include the link to your fundraising page.
10. **If you reach your goal, increase it to a new one.** Donors are more likely to donate more to help you get there. If they see you have reached your goal, they may not donate as much.
