ABOUT BEARS OF HOPE PREGNANCY & INFANT LOSS SUPPORT

Bears Of Hope provides leading support and exceptional care for families who experience the loss of their baby through miscarriage, stillbirth, neonatal or infant loss. This includes our early support initiative – donating bears and support packages to families within days of their loss as well as offering a range of services through our Beyond the Bear support program including Counselling, Grief Workshops, Wellbeing Groups and Community Events.

We can only continue this through community fundraising each year as we do not receive any Government funding. We truly appreciate your support.
